LAS VEGAS... an adult playground full of

star-studded entertainment, gourmet food, fanciful libations, slot machines and gambling tables galore, abundant shopping, and as much “what happens in Vegas, stays in Vegas” debauchery as you can possibly want or need!

Las Vegas is a land where jungles thrive and fountains dance in the middle of the desert. It's a place that unites medieval England and ancient Egypt with modern-day Venice, Paris, and New York. It's a never-ending source of irony and improbability where you can turn a chip and a chair into a million dollars, or celebrate your shotgun wedding by shooting machine guns.

TBE has some things included, a couple of optional experiences scheduled, and the rest of the time is on your own with plenty of time to engage in activities and experiences (many free, some at an extra cost).

Two is a couple, three is a crowd, but 12-24 of us carousing around Las Vegas together is a barrel-load of fun!! Join us for 4 nights in the desert! Space is limited!! Call ASAP to confirm your space.

THE VENETIAN RESORT HOTEL & CASINO

5-star Luxury Hotel on the Strip (4 nights)

3355 Las Vegas Blvd South / Las Vegas, Nevada 89109

702-414-1000 / www.venetian.com

The spirit of Italy is alive in The Venetian resort, complete with frescos, plenty of pasta, canals, gondolas and strolling performers. The hotel offers spacious, beautifully appointed suites (more than 650 square feet), an impressive upscale shopping center, a wide variety of gourmet restaurants and cafés, several attractions and more.

The breathtaking megaresort combines the latest technology and the venerable art and culture of the European jewel: Venice. The Venetian's take on this world-renowned city is a must-see. Coming to this resort is the next best thing to visiting Venice itself. Plus, The Venetian is an eco-friendly property with an impressive array of green initiatives in place – like LED lighting, solar panels, a reclaimed water system, eco-safe cleaning products, low-flush toilets and more.

The sweet “suite” accommodations at The Venetian are aesthetically stunning as well as technologically advanced, with refinements from Italian marble in the bathrooms to 32-inch flat-screen HDTVs, wireless internet access and minibars. The suites start at 650 square feet and boast high ceilings, huge bathrooms, three telephones, multiple flat-screen TVs and Roman tubs with separate glass-enclosed showers, among other things.

Take a canal ride in a gondola that runs outdoors and through The Grand Canal Shoppes at The Venetian / The Palazzo. This impressive Italian street-themed retail complex features an abundance of exclusive stores, priceless art and even performers, sure to please the avid shopper. Authentic cobblestone covers the shopping mecca. Then, after shopping, there's more fun to be had at the internationally beloved Madame Tussauds Las Vegas wax museum.

Treat your taste buds at any of the numerous acclaimed fine dining restaurants that The Venetian has to offer, which include the creations of culinary giants Thomas Keller (of Bouchon and Bouchon Bakery), Wolfgang Puck (of Postrio), Tom Moloney (of AquaKnox) and Daniel Boulud (of DB Brasserie). Buddy V's, a restaurant by "Cake Boss" star and internationally renowned baker Buddy Valastro, features an Italian-American menu and is inspired by Valastro's family gatherings and the beloved recipes passed down by his mother, grandmother and aunts. Carlo's Bakery, which serves Valastro's famous cannolis, Italian cookies and cakes, is adjacent to it. Enjoy gourmet pub fare paired with artisanal brews in the Public House, or sink your teeth into a succulent cut of meat at Delmonico Steakhouse. Mario Batali and Joe Bastianich's restaurant B&B Burger & Beer has a menu that features local ingredients and the beer-driven beverages that are sourced from Las Vegas and Southern California craft breweries. Traditional and contemporary takes on Italian cuisine abound in Canaletto, B&B Ristorante and Zeffirino. Plus, there's an extensive menu of international favorites and 20 fine desserts at the Grand Lux Café.

If you want to pamper your body as lovingly as your palate, the Canyon Ranch SpaClub is the largest spa in town with over 120 services and activities including massages, beauty treatments, fitness classes, wellness training and more.

In addition, The Venetian is home to comedians like David Spade, as well as the Broadway musical "Rock of Ages" in the Sands Theatre and Smokey Robinson Presents Human Nature: The Motown Show. Plus, there is no shortage of nightlife thanks to the celebrity-studded Tao nightclub and other smaller yet ultra-chic venues such as the V Bar and Oculus. The Bellini Bar serves up specially crafted Bellinis and a long list of beers, wines and cocktails nightly. Signature bourbon cocktails and high-energy '80s dance music are showcased in The Bourbon Room. The Rockhouse, a dive bar designed like an adult playground with tire swings, birdcages, billiards, beer pong tables and a mechanical bull, is open in The Grand Canal Shoppes at The Venetian | The Palazzo.

With pools that resemble the fountains of Italian palazzos and amenities that will leave you exclaiming "Bellissimo!" Venice's twin sister city has come afloat at The Venetian. Ah, *la dolce vita!*
